

Australian Professional Thermography Association Inc.

Formed in 2011, AUSPTA's mission is to:

- Enhance and promote the application of Thermography across a wide range of Industry User Groups throughout Australia.
- Develop and maintain a register of Professional Thermographers.
- Support training in all aspects of Thermography and develop Continuing Professional Development (CPD) initiatives for members to enhance their skills.
- Provide a forum for members to discuss all topics in relation to Thermography.
